

Will Four Points sign my Business Associate Agreement (BAA) for HIPAA accounts?

Yes. You have several choices for the BAA:

- 1) You can use the Customer End model to bring your existing direct AWS BAA to Four Points;
- 2) You can sign a direct BAA with Four Points, or;
- 3) Sign a new direct BAA with AWS via the [AWS Artifact self-service BAA](#)

Contact I2_AWS_FPT@4points.com to discuss your options and requirements.
